“Our Honest to God team was in honour of my cousin, MaryLou. We loved the opportunity to remember MaryLou and, at the same time, to give support to your beautiful Bethell House. Bethell House gave our sweet MaryLou dignity, love, grace and comfort at a very difficult time. Participating in the hike was an amazing experience of our 95+ team members. Our emotions were on fire, but we knew that MaryLou and her gorgeous smile was hiking along with us. Thank you, Bethell House, for such a beautiful memory!”

EVENT ORGANIZER PROFILE

Brampton Flight Centre

In 2014, Brampton Flight Centre* came up with a wonderful way to give back to the community.

Their signature Light Up the Runway Walk offers participants the unique opportunity to gather pledges of support and walk the area usually restricted for aircraft, along a path illuminated with hundreds of candles to commemorate the lives of friends and family members. Over four years, the event has raised almost \$100,000 in support of Bethell Hospice, with crowds of supporters growing year over year.

BFC Financial Controller, Daphne Parsons, has been a driving force behind Light Up the Runway since the very beginning, and speaks passionately about the organization's commitment to support Bethell Hospice:

“At the Brampton Flight Centre, we pride ourselves in being part of a community – a community that gives and cares. The decision to host a fundraiser was BFC’s way to invite the community in, and to give back to a place it calls home. I am lucky enough to work and live in Caledon. So when asked to help organize a fundraiser, Bethell came quickly to mind: it’s a hospice, it does great work, and we are neighbours! However, through the four years of organizing the runway walk, I have come to learn it is not just any hospice. Great care and comfort is provided with respect and compassion, not only to the individual with the life-limiting illness, but also to their support network of family and friends. It is about allowing the resident and their loved ones a chance to take a breath, and have the opportunity to enjoy the remaining time together. Sadly, I am reminded of my own experience. The efforts required to tend to the physical needs of my mom left little time and energy for much else. I wish this could have been different. While Bethell sets the bar high in many ways, I think this sets them apart.”

The annual event is a true labour of love, with the entire Flight Centre team involved in planning and hosting the event.

Thank you, Brampton Flight Centre, for being such an amazing community partner!

*Brampton Flight Centre is owned and operated by Brampton Flying Club.

“We cannot begin to express our gratitude, appreciation and thanks for each and every nurse, staff member, support staff, volunteer, and even family members of other residents who are going through the same journey. The love and support that we received was incredible and we will never forget it. You helped to make this journey peaceful and meaningful.”

Light & Love at Bethell Hospice

Celebrate Light & Love Tree Lighting

As the holiday season approaches, friends of Bethell Hospice are encouraged to buy a light to honour someone special in their lives, or in memory of someone they loved.

Last year, over \$142,000 was raised during our Celebration of Light & Love, and more than 360 individuals were honoured at a beautiful tree lighting ceremony at Bethell Hospice.

This year, our tree lighting ceremony will take place at Bethell Hospice on December 14 to honour all those remembered.

To remember someone special with the gift of Light & Love, call the Fundraising Office at 905-838-3534 anytime, or donate online at foundation.bethellhospice.org beginning in October.

“On behalf of my mom, Maria, thank you to all the nurses, PSWs, volunteers and staff that made my mom’s stay here comfortable. You made her feel like family. Thank you.”
