FROM THE BTHELL HOSPICE FOUNDATION • SPRING 2021 ISSUE

## Incredible Support of Light & Love Holiday Appeal and Tree Lighting

Thanks to your incredible generosity, our 2020 Celebration of Light & Love raised a record-setting \$240,000 in support of Bethell Hospice Foundation.

We are, quite simply, overwhelmed. Thank you to our Tree Lighting sponsor, Fines Lincoln, and to each of you for holding Bethell Hospice in your hearts, and demonstrating your belief in the importance of Bethell Hospice in our community.

Over  
\$240,000  
Raised!

Natalie Talma, Psychosocial Spiritual Care Team Lead

Steven Janzen, Spiritual Care Coordinator

Over 375 individuals were remembered with Light & Love gifts during our Virtual Tree Lighting on December 10, with our Nurses, PSWs and Social Work Team lighting candles and honouring all those remembered.

In a year of COVID-19, which made fundraising a real challenge, you showed how much you believe in the work of Bethell Hospice, and we could not be more grateful.

# BETHELL HOSPICE COMMUNITY PROGRAMS

## *Reaching Out With Comfort & Compassion*

When people think of Bethell Hospice, they most often think of the compassionate care that our Nurses and PSWs offer those who spend their final days living in our hospice. But did you know that Bethell Hospice also supports individuals through our Community Program – often right from the onset of a life-limiting diagnosis?

Care and support is available at every stage of life's final journey, not only for the client personally, but also for their families and caregivers.

Over the past year, service offerings through the Bethell Hospice Community Program have increased dramatically, with thousands of supportive sessions delivered to clients. Although COVID-19 has meant that these services are currently offered virtually, our social work and spiritual care team has made a tremendous difference in countless lives.

*“It is truly an honour and privilege to walk alongside individuals during the most difficult time of their lives. In the most profound moments, I often feel not a ‘social worker’ or an ‘expert’. I am simply a human being, talking with another human being, connected in the experience of life. I don’t take it lightly when someone chooses to invite me into their story.”*

**Natalie Talma, MSW RSW**

TEAM LEAD

Since the onset of COVID-19, Bethell Hospice Community Programs have become even more vital touchstones for those in need. Recognizing the importance of connecting and demonstrating the depth of their support, the team created **Comfort Care Kits** to deliver to community clients. Observing all social distancing protocols, team members dropped off these thoughtful bags to their clients, going the extra mile to keep their support flowing.

*“I am honoured to ‘walk’ alongside people in their grief – to help them know they are not alone, to listen to the difficult questions, to help them find meaning and glimmers of hope on the long road towards healing.”*

**Louise Sallesse, BScN MDiv**

SPIRITUAL CARE COORDINATOR

VIRTUAL SUPPORTIVE COUNSELLING

Throughout the pandemic, the most frequently accessed service has been **Virtual Supportive Counselling**, where clients are encouraged to explore thoughts and feelings about their illness, caregiver or bereavement experience one-on-one with a professional Social Worker or Spiritual Care Coordinator.

Our **Adult Grief Support Group** is also in high demand, for those wishing to share their grief stories and find comfort in the shared experiences of others.

Our **Virtual Volunteer Visiting** program, in which trained volunteers provide companionship and support via weekly phone or video calls, has also been heavily utilized, to help deal with the heightened challenges of coping with illness, caregiving and grief during a time of social isolation.

VIRTUAL VOLUNTEER VISITING

Recent additions to the roster of virtual program offerings also include a **Family & Friends Support Group**, a **'Drawing on Our Grief' Adult Support Group**, a **Music Therapy Group**, a **Wellness Sampler Series**, and a **Distant Therapeutic Touch** program.

As with all Bethell Hospice services, these programs are all available at **no cost** to clients, thanks to the generosity of our donors. Your support has made a difference in the lives of so many.

*Thank you for your belief in the importance of Bethell Hospice in our community.*

# Rock Garden Farms Recipient of 2020 Elizabeth Birnie Leadership Award

On October 14, Rock Garden Farms was presented with the Elizabeth Birnie Leadership Award in recognition of its outstanding leadership and assistance to Bethell Hospice Foundation.

Since our Bethell Hospice residence first opened its doors in the spring of 2010, Rock Garden Farms has quietly been providing the hospice with fresh seasonal produce – every week of the growing season for the past ten years. Every Thursday, fresh produce arrives in cardboard boxes at the Bethell Hospice kitchen, allowing

the kitchen volunteers to prepare delicious home-cooked meals for hospice residents. The award was presented to Margaret & Paul Galati and Nick & Tish Iuglio by Bethell Hospice co-founder, Elizabeth Birnie, and Bethell Hospice Foundation Board Chair, John Sanderson.

## Donate Now!

Bethell Hospice programs and services are only partially covered by our Ontario health care system. Each year, over \$1,000,000 must be raised through local fundraising efforts.
